Global Health Opportunities for Advanced Practice Nursing Students and Graduates

Fellowships and Residencies

Global Health Nursing Fellowship, UCSF School of Nursing
nursing.ucsf.edu/about/center-for-global-health/nursing-fellowship
The UCSF Global Health Nursing Fellowship program is a 10-11 month residency program based in Haiti, focused on nursing education and partnership development.
Application Deadline: April 2016

HEAL Fellowship, UCSF School of Medicine
healinitiative.org
The HEAL Initiative works in Native American reservations, prisons, and the poorest villages on our planet. U.S. providers, including Nurse Practitioners, are paired with local health professionals who are already working in these communities. During the 2-year fellowship, they develop skills essential to global health delivery through immersive training, an on-line Master’s in Public Health at UC Berkeley, and intensive mentorship.
Application Deadline: October 2016

Global Health Sciences Masters Program, UCSF Global Health Sciences Institute
globalhealthsciences.ucsf.edu/education-training/master-of-science-program
The Master of Science in Global Health is a one-year, four-quarter program designed for those who wish to acquire expertise and develop leadership skills in the field of global health.
Application deadline is: February 15, 2016

PhD in Global Health Sciences, UCSF Global Health Sciences Institute
globalhealthsciences.ucsf.edu/education-training/phd-in-global-health-sciences
Graduate students learn to apply trans-disciplinary knowledge drawn from public health, epidemiology and biostatistics, public policy, economics, development studies, clinical and basic sciences, and the social sciences to address health problems of global importance. Four year degree program: 45 unit curriculum in residence at UCSF, qualifying examination and dissertation research.
Application deadline: Sep 25, 2016

Family Nurse Practitioner Residency, Santa Rosa Community Health Centers
srhealthcenters.org/careers/family-nurse-practitioner-residency/
Santa Rosa Community Health Centers (SRCHC) offers a residency program where you will gain an extraordinary experience in caring for the underserved populations and become a primary care provider.
Application deadline is October 15th, 2015.

Global Health Fellows II, USAID
ghfp.net/
Through GHFP-II, USAID identifies and trains diverse future global health professionals, and engages academia to strengthen non-technical competencies that are essential for a successful GH career. 2-year fellowships and three month internships available internationally and in Washington D.C.
Application deadline: Openings throughout the year

GloCal Health Fellowship, National Institutes of Health Fogarty International Center
glocalfellows.org/Pages/default.aspx
GloCal Health Fellowship is a career development fellowship sponsored by the NIH-FIC, as well as a consortium at the University of California Global Health Institute. 11-month, mentored research fellowship for existing and aspiring investigators who are interested in studying diseases and conditions in developing countries.
Application deadline is: November 2, 2015.

Fellowship in Global Health Leadership, Afya Bora Consortium
afyaboraconsortium.org
Afya Bora Fellowship prepares trainees with a set of practical skills needed for leadership positions in government, non-government, and academic health institutions in developing countries. 12-month training program: eight-week Core Curriculum, plus four distance learning modules; two four-and-a-half month assignments to sites in partner African countries.
Application deadline is: December, 2016
Global Health Opportunities for Advanced Practice Nursing Students and Graduates

Global Health Nursing Fellowship, Foundation for International Medical Relief of Children
fimrc.org/ghnf
Global Health Nursing Fellowship (GHNF), designed for nursing professionals to gain experience in international medicine and global health, and increase knowledge of national and international guidelines for care of children and adolescents. Combination of hospital and clinic rotations, as well as execution public health campaigns within the community.
Application deadline: April 2016

Summer International Health Fellowship, Foundation for International Medical Relief of Children
fimrc.org/sihf
Fellows work at FIMRC project sites. Program structure includes: clinical exposure, health education and community outreach efforts, as well as the completion of an independent or group SIHF project.
Application Deadline: June 4, 2016

Fellowship, Global Health Corp
ghcorps.org/
Yearlong, paid fellowship working in a range of critical roles within partner organizations on the front lines of health equity in the US and Africa. Applicants have backgrounds in management, education, research, technology or another field.
Application Deadline: February 2, 2016

Global Health Service Partnership, US Peace Corps
peacecorps.gov/volunteer/globalhealth
Nurse and Nurse-Midwife Volunteers serve with the Global Health Service Partnership as educators in nursing schools and affiliated teaching health facilities/hospitals in Sub-Saharan Africa in Tanzania, Uganda, and Malawi.
Application deadline: December 2016
