NOTES:

Students are expected to attend Occupational & Environmental Medicine Grand Rounds (Thu 8-9 am qowk), Journal Club and/or Research Rounds (Thu 9-10 am qowk) as a requirement of N273B, in addition to quarterly seminars and COEH events.

^N259.04 can be taken in either the Fall or Winter quarter.

+N203 (2 units): End of Life and Palliative Care Across the Continuum, in Winter on Tuesdays from 10-12 with DorAnne Donesky, may be taken as an alternate course to fulfill the palliative care course content.

*** 1 unit N300/N400 level coursework =3 hours clinical per week, excluding clinical conferences. Students additionally are required to attend a patient simulation evaluation session, a microscope workshop, & a musculoskeletal workshop in Spring quarter.**

^ Depending on the number of summer clinical rotations, the 2nd year N415.28B units will be recalculated; the Occ-Med rotation may be scheduled in Su-F-W-Sp qtrs.

~ Leadership and Epilogue are integrated; both courses are introduced on the first day (e.g. week 1)

School of Nursing core requirements are in italics.

»Two Sat dates for N271.06: May 14, 2016 and May 21, 2016

Curriculum meets the requirements for NP certification in California, and meets the requirements to sit for the ANCC/AANP Adult-Gerontology Nurse Practitioner Certification examination.

Curriculum subject to change 8/18/2015
