School of Nursing

**DNP Project Support Award**

**Information and Application 2026/2027**

Through the generosity of annual giving by School of Nursing alumni and friends, funds have been made available to support doctoral projects. These funds are administered through the Student Funding Department and approved by the DNP Program Director. The application is available annually and can be requested from Shandel Rosen Roberts, via email [shandel.roberts@ucsf.edu](mailto:shandel.roberts@ucsf.edu).

**General Guidelines**

- Maximum award per student is up to \$1000 depending on the availability of funds.
- Eligible applicants must be registered DNP doctoral students who have advanced to the DNP Project and are enrolled in at least one Project series course at the time of application.
- Purpose of funds is to defray costs of conducting this project (i.e., costs associated with copying, computer analysis, transcription services, mailing, etc.). Travel and subject fees are excluded.

**Application Requirements**

The following documents must be submitted with the application form to the School of Nursing Student Funding Department, via email [studentfunding@ucsf.edu](mailto:studentfunding@ucsf.edu). The application is available annually and can be requested from Shandel Roberts, via email [shandel.roberts@ucsf.edu](mailto:shandel.roberts@ucsf.edu).

- A brief report describing the proposed project work and a budget excluding travel and subject fees.
- A list of awards received from other sources regarding project expenses (see application form).
- A letter of support from their Advisor/Program Faculty confirming the student's need for funds to defray project costs.

**Selection and Dispersal**

After a student's eligibility and application has been verified, their materials are sent to the DNP Program Director for approval. After approval is received, the Student Funding office will disperse the full payment as a stipend.
