

## SON Scholarship Application 2026/2027

### Dear Nursing Student Applicant:

The Office of Student Affairs/School of Nursing Student Funding Department is now accepting applications for the **2026/2027** academic year. If you are interested in applying for SON scholarships, please complete this application. We offer a limited selection of scholarships from endowed, non-endowed, and University Funds. Awards are based on a variety of criteria, including financial need, specific academic programs, and cultural diversity. A FAFSA is not required for all SON applications only for that scholarship that states that one or more of the requirements are based on financial need. However, it is helpful in determining financial need for several types of aid. Nursing Students receiving scholarships will be notified in writing as funding becomes available. **This SON Scholarship application is due on April 27, 2026. Submit your application via email to [SONStudentFunding@ucsf.edu](mailto:SONStudentFunding@ucsf.edu) in one package (one PDF file).**
