In your estimation, do you NOW or have you EVER lived in a **medically underserved community**?

No  Yes If Yes, where? \_\_\_\_\_  Prefer not to answer

Please note that “medically underserved community” refers to an urban or rural area or populations groups that lack adequate health care services. This question is aimed at ascertaining the environment in which you grew up or in which you have lived, as opposed to a setting in which you may work.

Do you consider yourself to have come from a **disadvantaged background** (*see definition below*)?

No  Yes If Yes, please explain: \_\_\_\_\_  Prefer not to answer

Please note that the definition of “disadvantaged background” includes both economic and educational factors that are or were barriers to an individual’s participation in a health professions program. Specifically, it refers to an individual who:

- a) comes from an environment that has inhibited the individual from obtaining the knowledge, skills, and abilities required to enroll in and graduate from a health professions school or from a program providing education/training in an allied health profession; and/or
- b) comes from a family with an annual income below a level based on low incomes thresholds according to family size, published by the US Bureau of the Census, and adjusted annually for changes in the Consumer Price Index.

Goals and Objectives

Please attach a ½ - 1 page Goal Statement. Please describe your interest in pursuing a subspecialty in diabetes.

Academic Advisor Statement

Please have your advisor submit an email to [maureen.mcgrath@ucsf.edu](mailto:maureen.mcgrath@ucsf.edu) stating that you are in good academic standing and that s/he supports you in taking the minor.

Application to Minor

- I am applying for the Diabetes Minor only and will complete the 3 academic courses
- I am applying for the Diabetes Minor and the Madison Clinic Peggy Huang Diabetes Nurse Fellows Program which includes a clinical rotation at the DYF-Diabetes Youth & Families Summer Camp- this *may include a stipend equal to summer tuition. Funding will be determined by end of Winter Quarter.*

Please return the completed application and goal statement by **December 31, 2017**.
