There will be no consequences if you choose non-participation.

We hope, however, that you will support our efforts to learn so that we can apply the knowledge that we gain from our students to improve the quality of our programs for all who follow.

Finally, you may, from time to time, be asked to participate in various photo opportunities. These photographs are the exclusive property of the University and will not be shared, distributed or used for purposes other than university business. Should you **not** wish to appear in such a photograph, you may at any point decline to participate and the photographer will always respect your wishes.
