5) Participate in at least workshop as a small group facilitator
6) Facilitate remediation sessions for students who could not attend the workshops
7) Type and upload post-questionnaire comments from learners on the CLE
8) Create an executive summary for course.
9) Other classroom and IT support as need arises

Required Qualifications:

• Doctoral or 2nd yr. MS nursing student
• Experience with accessing and using CLE
• Database (e.g. Microsoft Excel) management experience
• Completion of a Counseling for Behavior Change Workshop and/or motivational interviewing experience

UCSF is an equal opportunity employer:

... “The University of California renews its commitment to the full realization of its historic promise to recognize and nurture merit, talent, and achievement by supporting diversity and equal opportunity in its education, services, and administration, as well as research and creative activity. The University particularly acknowledges the acute need to remove barriers to the recruitment, retention, and advancement of talented students, faculty, and staff from historically excluded populations who are currently underrepresented.”
