Position Description:

This clinical faculty position is a full-time or part-time position in the Department of Family Health Care Nursing. Major responsibilities include: teach Advanced Practice Nursing students in the classroom and clinical setting with a focus in primary, chronic, and/or acute care pediatrics, schedule and supervise Nurse Practitioner (NP) students in the clinical environment for clinical rotations and service learning activities, support health promotion and grant activities related to chronic disease prevention (obesity, asthma, mental health, and/or oral health), advise of NP students in the program, and advance the NP role through scholarly activities. Clinical practice opportunities may be available as a percentage of the full-time or part-time position.

Requirements:

Education/Licensure – Minimum:
• Masters of Science in Nursing and/or Doctorate in Nursing Practice
• California RN licensure and NP certificate, or eligibility
• National certification as Pediatric Nurse Practitioner: Primary Care, Acute Care, or dual certification (preferred)

Experience - Minimum:
• Two or more years of clinical experience as an advanced practice nurse in pediatric primary care, chronic/specialty care, and/or acute care settings.
• Clinical experience working with underserved and diverse populations.

Additional Experience – Ideal:
• Clinical experience with interprofessional practice and team-based care
• Two or more years of classroom experience with Advanced Practice Nursing students at the graduate level
• Two or more years of clinical teaching experience with Advanced Practice Nursing including clinical precepting
• Spanish language proficiency or second language skills strongly preferred

UCSF seeks candidates whose experience, teaching, research, or community service has prepared them to contribute to our commitment to diversity and excellence. UCSF is an affirmative action/equal opportunity employer. The University undertakes affirmative action to assure equal employment opportunity for underutilized minorities and women, for persons with disabilities, and for covered veterans. All qualified applicants are encouraged to apply including minorities and women.
